

Recently graduated, looking for (more) field experience?

You are JIT to become a new `ForEach.Employee()` ;

We are looking for motivated youngsters that want to broaden their knowledge and become experts in web 2.0, mobile platforms and upcoming technologies like RFID.

```
class Profile {  
    individual as well as team-driven;  
    eager to learn;  
    looking to be certified;  
};
```

```
class Job {  
    investigate new technologies;  
    spread your knowledge;  
    hands-on developing;  
};
```

```
enum Domain Knowledge {  
    Architecture C C# .NET ASP ROR PHP Web Java JSP  
    Javascript Scripting PERL XSL XML XHTML Design CSS  
    Open Source Oracle SQL Database MYSQL MMS Mobile  
};
```

Intrigued? The right man for the **job@foreach.be**
